

**Jeanne Blackwell Memorial Scholarship
2020 Scholarship
Application Deadline: Received by March 27, 2020**

The **Jeanne Blackwell Memorial Scholarship** provides financial assistance to students desiring to further their education after high school, through attendance at a college, university, trade school, or training program. It is not limited to high school seniors and may be applied for every year a person is attending school or a training program. At least one \$500 scholarship will be awarded in 2020.

Jeanne Blackwell was a mom, grandma, long-time teacher, school board member, attorney, and community volunteer/activist. She was a dynamic and giving person, always focusing on helping others to succeed in their own lives. As such, the essay portion of the application will be heavily weighted in the selection process, giving preference to those who can describe how they have been assisted by someone (teacher, coach, foster parent, other role model, etc.) in their lives and how they plan to use their experiences to “Pay it Forward” to help others. Applications will be based on the following criteria:

- Plans to attend a college, university, trade school, or training program
 - Actual proof of enrollment will be required for the person(s) selected to receive the scholarship, but is not necessary to provide it with the application package.
- Plans to help others through their planned career/volunteer work, ie-teacher, emergency services, medical field, social work, etc.
- Financial need

The application packet should include:

- Completed application
- Essay as described in guidelines
- Minimum of one, maximum of three letter(s) of recommendation
- Transcript from current or last-attended school

Please submit the application packet to:
