

**Clarence Muirhead Memorial Scholarship  
2023 Scholarship  
Application Deadline: Received by March 31, 2023**

The **Clarence Muirhead Memorial Scholarship** provides a scholarship to an **Apple Valley High School senior** desiring to further his/her education through attendance at a college or university.

**Clarence Muirhead** was a math teacher and coach at Apple Valley Junior High, Hesperia Junior High, and Apple Valley High School. Mr. Muirhead also coached Cross Country. He fostered self-responsibility and pride in those he taught and mentored, and his triumph lay in the student's ability to do their very best regardless of placement in a race or final grade.

As such, the essay portion of the application will be heavily weighted in the selection process, giving preference to those who can describe how a math teacher or coach mentored them and how they think that experience will help them in the future. The winning applicant need not have the highest GPA or the fastest time on the Cross Country Course. Applications will be based on the following criteria:

- Graduating student athlete at Apple Valley High School, planning to attend a college or university, proof of enrollment will be required
- Pursuing mathematics studies (preferred, not required)
- Competed in Cross Country as a senior
- Financial need

**The application packet should include:**
